an open trunk with a single barrelled large bore shotgun in it.

Delighted with his find, he stood at the threshold of the kitchen with the gun at his shoulder, when his sister ap-peared and said, "Put that gun down

quick!"

Horace, thinking the gun wasn't loaded, only laughed at her and said, "Gotn' to shoot. I'm goin' to shoot!" and before his sister could stop him Horace had aimed the gun at Annie, who was laughing as if the scene had been arranged for her especial benefit, and pulled the trigger.

There was a desfening report and Annie's white dress was white no longer. Her little, lifeless body slipped off the chair in a heap against the stove. The recoil of the gun threw Horace to the

DOCTORS and DRESSMAKERS

UNITE IN PRAISING THIS WONDERFUL CORSET

SELF-REDUCINI

EAR MADAM: Here's a corset that will make oyou slender beyond your fondest hopes, yet will give you comfort you never dreamed of.

It has our IMPROVED "Lastikops Bandlet."

Last year we put hose supporters on the Bandlet, and this had a tendency to pull the Bandlet away from where it belongs.

This year we've put that pair of supporters on our new double Reducing Straps; and, by means of slender spring steel wires in the Bandlet, we make it fit closely and give you more perfect and easy support than was ever possible before.

Two stylish models:

New No. 523 | \$5 New No. 522

Both have a modish long skirt. The new double Straps reduce the upper limbs, but relax and give you ease when you sit down.

These corsets can't ride up. They banish that perilous bearing down sensation, and should be worn by all women-stout or not
